

CAT INTRODUCTIONS

Remember these **S's** for longterm successful coexistence:

- 🐾 **S**afety management
- 🐾 **S**tress management
- 🐾 **S**afe room for resident and new cat
- 🐾 **S**et up a routine
- 🐾 **S**low and Steady
- 🐾 **S**mell
- 🐾 **S**ound
- 🐾 **S**ight

+ **Planning and Patience**

KEYS TO REMEMBER

- 🐾 Make good things happen when they are together.
- 🐾 Monitor body language - go at the cat's speed
- 🐾 Create a daily routine - and stick with it
- 🐾 Providing each cat with Enrichment - working with each cat on clicker games, giving separate daily play and snuggle sessions, and providing food puzzles and hunting opportunities for each cat.
- 🐾 Each cat should have in their safe room: Clean litter boxes, water, food, cat toys, cat trees, hiding spots, and human interaction.

Each house, cat, and pet parent are different.

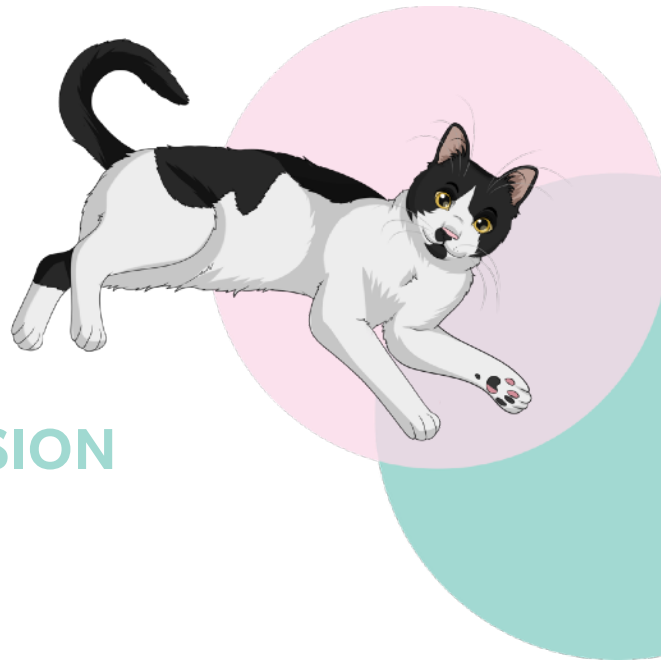

When you contact me for help here are the general phases we will work through:
